2018 Goal Planning Preparation

2017 In Review

Before you jump into your planning for 2018 let's take a look at your achievements for last year.

What goals did you set for 2017?

Why did you feel it was important to focus on those specific goals?

Are there any goals that you did not achieve?

What obstacles kept you from achieving those goals?

Which of those goals will you carry over to 2018?

What will you do differently to ensure you meet those goals in 2018?

2018 Goal Planning Preparation

2018 Planning Preparation

What are your main goals for 2018? It is recommended that you develop only 3 to 5 major goals per year Don't get overwhelmed - Be careful about how many goals you set for yourself
